Lydia E. Pinkham's Vegetable Compound is made from roots and herbs, without drugs, and is wholesome and harmless.

The reason why Lydia E. Pinkham's Vegetable Compound is so successful is because it contains ingredients which act directly upon the feminine organism, restoring it to a healthy normal condition.

Womer who are suffering from those distressing ills peculiar to their sex should net lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

"The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, he mind and judgement are effected, and many an evil deed or impure thought up be directly traced to the impurely of the blood Foul, impure blood can be made pure by the man of Dr. Pierce's Golden Medical Discovery.
